June Business of the Month

The Winnebago Preschool is June's Business of the Month

The Winnebago Preschool first came into existence in the mid 1970's as a privately owned business, licensed by the Illinois Department of Children and Family services. In 1987, the preschool was sold to a group of parents who formed a corporation deeming the preschool a non-for-profit business. In 1989, the school moved from a Winnebago church basement to the present building on Benton Street, in order to meet state guidelines. The school is run by a governing Board of Directors made up of parents and/or members of the community.

The Winnebago Preschool will be hosting an Open House and Registration for the Fall of 2016 school year on July 13 from 5 to 7 p.m.

Middle Creek Church Vacation Bible School June 26-30

Middle Creek Church Invites Children to Cave Quest Vacation Bible School June 26 - June 30. Following Jesus, the Light of the World!! Cave Quest is for kids from pre-school through grade 5 and will run 5:30 - 8:30 p.m. each day.

At CaveQuest, kids explore what it means to follow Jesus through dark times. We start with a light supper from 5:30-6 p.m. and then start rotations. Kids participate in memorable Bible-learning activities, sing catchy songs, collect and make items to remind them of Jesus' love, and experience some super science activities. Plus, kids will learn to look for evidence of God all around them through something called God Sightings. Each day concludes with a Cave Quest Closing that gets everyone involved in living what they've learned. Family members and friends are encouraged to join in daily for this special time at 8pm.

There is no fee for attending so call 815-335- 2609 to pre-register today!
