Winnebago Financial

We have two reminders for our Customers and Friends

- Do not be taken in by the IRS scam! The scam phone calls have started already - the IRS will NOT call you! If you happen to have any kind of issue with your return the IRS will SEND YOU A LETTER! Do not return these scammers phone call message, emails, or talk to them! IT IS A SCAM!!
- Remember the Secretary of State stopped sending reminder post cards for your license plate renewal - walk around and look at your license plate and make sure yours has not expired! You do have a 30 day "grace" period before the \$20 late fee kicks in, it is still much less expensive than a ticket plus your renewal fee and late fee! We do have stickers available in our office - our fee is \$7.50 above what the Secretary of State charges.
