Athletic Edge

Our mission is to provide individuals, teams, and families of the Northern Illinois community access to a clean, safe and comfortable environment designed to help athletes of all skill levels to gain an Athletic Edge. Most important to us, however, is to offer an environment where our customers will have fun while using the facility. After all, we believe that youth sports aren't just about the sport or winning. Rather, it's more about individual personal development while having fun and providing an environment to teach athletes character-building lessons that can be applied in other areas of life. Simply put by Coach John Wooden, "Sports do not build character, they reveal it."

Conveniently located at 104 Kasch Drive in Winnebago, Illinois (less than 1-mile from the Bypass 20 and the Winnebago Road interchange). 16,500 square feet, 25 foot ceilings, dedicated to multi-sport training, competitions, gatherings, team practices, etc. Ideal for individuals, teams, coaches, trainers, camps, tournaments, leagues (of all ages) for practices, competitions, training, events and more.

While the facility is primarily equipped for basketball, baseball/softball and volleyball activities, the facility is also available for certain levels of football, soccer or other sports training. The facility is open to athletes of all ages, regardless of skill level. The facility is also available for birthday parties, community events, or other social gatherings.
